In a TWU Partner School you'll find an environment that encourages not only academic achievement but also happiness, confidence and personal development at the same time as embracing diversity and allowing children to realize their potential – no matter where they're starting from. We consider it our duty to place your child in a quality school, helping them to achieve the best they can. We embrace every student as a unique individual whatever their personal beliefs, culture or religion.

### Extracurricular

*Life beyond the timetable*
